STORY

Our Story

In The NOW strives to build a community of mindful media consumers around important, curious and purpose-driven content. ITN's snackable short- and mid-format videos are made for sharing; they're about what's happening now, but not always what everyone's talking about. Real-talk politics, in-your-face opinions, gripping social issues and mind-bendi...

📄 Company Overview

Maffick amplifies brands via top notch visual storytelling. Our flagship channel "In the NOW" has achieved billions of views on Facebook with over four million loyal fans. We are a startup based Berlin where we have launched three new channels: "Waste-Ed" focuses on stories related to global sustainability. "Soapbox" takes on socio-political issues with commentary from progressive voices like Anissa Naouai, Rania Khalek and more.

STORY

Why Waste-Ed?

Waste-Ed was created to drive change.

We focus on education and awareness about sustainability, climate change and the environment.

We want to provide people with the knowledge that they need, to feel empowered enough to make changes in their everyday lives.

STORY

Our story

We have opinions. We have empathy. We see the ridiculous and we strike back with satire. We question. We doubt. We check the facts. And then we climb up onto our soapbox and we make our voices heard. Loud and clear.
